00-000-00-000

The first two digits indicate the County ID

Each Legal Entity (L.E.) within a county is identified by a three-digit code.

Each licensed site under that L.E. has its own two-digit code.*

The last three digits indicate the level of service licensed in sequential order.**

* Any program number other than 01 indicates that the organization has more than one licensed program within that county.

** Level of Program Service-

"1" in the first digit indicates a first offender program.

"2" in the second digit indicates an 18-month multiple offender program.

"3" a 30-month multiple offender program.

"0" in any of these fields indicates that this program is not licensed to provide that level of service.
